### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The reasons for allowance of claim 17 and claims depending from claim 17 are given in the Office action dated December 16, 2003. The closest prior art to independent claim 1 is Hung et al. (US 5,776,622), which teaches an organic electroluminescent device. Hung et al. fails to teach a specific device according to claim 1 comprising electrodes allowing partial passage of light, a metal substrate as recited, and an organic semiconductor in combination with the other specifically required components. Accordingly, claims 1, 3-15, 17-25, and 27-43 are allowed.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
